Project Title	Central Asia Digital Storytelling and Outreach Specialist
Project Summary	About You: We are looking for someone who wants to broaden their horizons - all the way to Central Asia! Are you a budding journalist, a future Tom Wolfe or Helen Thomas? Do you have a passion for the post-Soviet world and strong Russian language skills? We need your help!
Country	United States
Agency	Department of State
DoS Office	ECA/A/E/SCA
Post	N/A
Section	N/A
Number of Interns	1

Project Description

Our eIntern will be able to naturally connect with and present the stories, emotions, and experiences of both Central Asians and U.S. Fulbright grantees. Tell us about the young female Uzbek entrepreneur studying in Nebraska: how did she get there? What drives her? Paint a vivid picture with your words -- and images-- that no one can ignore. Help us reach future applicants and change the world, one student and scholar at a time.

U.S. Embassies in Central Asia are also interested in exploring new ways to engage U.S. universities, faculty, and college students. Who better to help us do this than YOU?

Our idea: interested? Apply by showing us your potential! Provide us two samples: one in English and one in Russian. We want you to interview someone - anyone. Tell us their story. We don't want a Q/A - we want you to bring their experience to life. Put it on a web page, word document, or send us a floppy disk (okay, please no actual floppies). *Optional*

Questions? Please email Chane Corp at corpcp@state.gov
